

BXP Announces 3rd Quarter 2022 Results; Reports Q3 EPS of \$2.29 and FFO Per Share Of \$1.91

October 25, 2022

Exceeds Guidance for EPS and FFO for Q3; Executes 1.4 Million SF of Leases in Q3; and Expands Life Sciences Portfolio in Cambridge, MA

BOSTON--(BUSINESS WIRE)--Oct. 25, 2022-- [BXP \(NYSE: BXP\)](#), the largest publicly traded developer, owner, and manager of premier workplaces in the United States, reported results today for the third quarter ended September 30, 2022.

Financial highlights for the third quarter include:

- Revenue increased 8.3% to \$790.5 million for the quarter ended September 30, 2022, as compared to \$730.1 million for the quarter ended September 30, 2021.
- Net income attributable to common shareholders of \$361.0 million, or \$2.29 per diluted share (EPS) for the quarter ended September 30, 2022, compared to \$108.3 million, or \$0.69 per diluted share, for the quarter ended September 30, 2021.
- Funds from Operations (FFO) of \$299.8 million, or \$1.91 per diluted share for the quarter ended September 30, 2022, compared to FFO of \$270.5 million, or \$1.73 per diluted share, for the quarter ended September 30, 2021.
- EPS and FFO per share exceeded the mid-points of BXP's guidance by \$1.54 and \$0.04 per share, respectively. EPS included a gain on sale of real estate of \$1.50 per share, and each of EPS and FFO included \$0.04 per share of better-than-projected portfolio performance.

BXP provided guidance for (1) full year 2022 EPS of \$5.55 - \$5.57 and FFO of \$7.51 - \$7.53 per diluted share, and (2) full year 2023 EPS of \$2.27 - \$2.42 and FFO of \$7.15 - \$7.30 per diluted share. The midpoint of guidance for each of 2023 EPS and FFO per diluted share is projected to be lower than projected full year 2022 EPS and FFO per diluted share, respectively, primarily due to:

- for 2023 EPS, lower anticipated gains on sale of \$2.43 per diluted share; and
- for each of 2023 EPS and FFO per diluted share, a decline of \$0.30 per diluted share (at the midpoint of our 2023 guidance range) from:
 - \$0.69 per diluted share of higher projected interest expense, including \$0.30 per diluted share of interest expense related to our new investment activity outlined in this release,
 - \$0.16 per diluted share of dilution resulting from our 2022 disposition activity, and
 - \$0.07 per diluted share of reduced fee income and increased G&A expense.

The foregoing are offset by \$0.62 per diluted share of projected contributions from our acquisitions in 2022 and from our 2022 and 2023 development deliveries.

See "EPS and FFO per Share Guidance" below.

Third quarter and recent business highlights include:

- Executed approximately 1.4 million square feet of leases, which was the strongest third quarter leasing volume since 2019. Notable leases include:
 - A 15-year lease for approximately 225,000 square feet with a prominent life sciences organization for the planned office-to-lab conversion at 300 Binney Street located in Cambridge, Massachusetts.
 - An 11-year lease for approximately 118,000 square feet with a retail client at the Prudential Center in Boston, Massachusetts.
- Further expanded BXP's life sciences portfolio in Kendall Square in Cambridge, Massachusetts by completing the acquisition of 125 Broadway for a purchase price, including transaction costs, of approximately \$592.4 million. 125 Broadway is a six-story, 271,000 square foot laboratory/life sciences property adjacent to BXP's existing 2.2 million square foot portfolio in the heart of Kendall Square. Kendall Square is considered to be the largest and most important cluster of life sciences companies and research space in the United States. This property is 100% leased.
- BXP and Biogen Inc. terminated Biogen's lease at 300 Binney Street in Kendall Square to facilitate the conversion and expansion of the property. 300 Binney Street is currently a 195,000 square foot property that will be redeveloped into an approximately 240,000 square foot laboratory/life sciences space for the new client that has signed a lease for 100% of the laboratory/life sciences space.
- Partially placed in-service 880 Winter Street, an approximately 244,000 square foot laboratory/life sciences project located in Waltham, Massachusetts. The project is currently 97% leased.

- Commenced the redevelopment of:
 - A property located at 140 Kendrick Street in Needham, Massachusetts. When completed, the property will consist of approximately 104,000 square feet and will be the first Net Zero, Carbon Neutral office repositioning of this scale in Massachusetts. The repositioning will include a deep energy retrofit, full electrification of gas-fired systems, HVAC modernization, including advanced heat recovery, and onsite renewable energy generation from a solar photovoltaic system that is designed to exceed annual consumption. This property is 100% leased.
 - 760 Boylston Street at the Prudential Center located in Boston, Massachusetts. The redevelopment is a modernization of the space consisting of approximately 118,000 rentable square feet. This property is 100% leased to a single client.
- Completed the disposition of:
 - 601 Massachusetts Avenue located in Washington, DC for a gross sale price of \$531.0 million. Net cash proceeds totaled approximately \$514.5 million resulting in a gain on sale of real estate totaling approximately \$237.4 million. 601 Massachusetts Avenue is an 11-story, approximately 479,000 square foot premier workplace originally developed by BXP in 2013 and currently 98% leased. BXP will continue to provide property management services to the new owner.
 - Land parcels located in Loudoun County, Virginia for a gross sale price of \$27.0 million. Net cash proceeds totaled approximately \$26.9 million resulting in a gain on sale of real estate totaling approximately \$24.4 million.
- In October 2022, entered into an agreement to acquire an approximate 27% interest in the joint venture that owns 200 Fifth Avenue, a 14-story, approximately 870,000 square-foot, LEED Gold certified, premier workplace located in Manhattan, New York that is approximately 93% leased. The acquisition of the joint venture interest will be BXP's second investment in the vibrant Midtown South neighborhood in the past twelve months. BXP will serve as the managing member and provide customary leasing and property management services for the joint venture. BXP expects to close the acquisition in the fourth quarter of 2022 for a gross purchase price of approximately \$280.2 million, which includes \$120.1 million of cash and BXP's pro rata share of the outstanding loan secured by the property of \$160.1 million. The mortgage loan bears interest at 4.34% per annum and matures in November 2028. There can be no assurance that BXP will complete the acquisition on the terms currently contemplated or at all.
- In October 2022, entered into an agreement to sell the residential component of The Avant located in Reston, Virginia. The Avant is a 15-story, approximately 329,000 square foot, 359-unit, luxury multifamily building that is currently 96% occupied. BXP will retain ownership of the 26,000 square foot ground-level retail space. BXP expects to close the transaction in the fourth quarter of 2022 for a gross sale price of approximately \$141 million. There can be no assurance that BXP will complete the sale on the terms currently contemplated or at all.
- BXP maintained its leadership and ongoing commitment to ESG and sustainability performance and earned a top ESG rating in the 2022GRESB® assessment. BXP earned its 11th consecutive "Green Star" recognition and the highest GRESB 5-star rating, as well as an "A" disclosure score. BXP also achieved the highest scores in several categories, including Data Monitoring & Review, Targets, Policies, Reporting, and Leadership.

The reported results are unaudited and there can be no assurance that these reported results will not vary from the final information for the quarter ended September 30, 2022. In the opinion of management, BXP has made all adjustments considered necessary for a fair statement of these reported results.

EPS and FFO per Share Guidance:

BXP's guidance for the full year 2022 and full year 2023 for EPS (diluted) and FFO per share (diluted) is set forth and reconciled below. Except as described below, the estimates reflect management's view of current and future market conditions, including assumptions with respect to rental rates, occupancy levels, interest rates, the timing of the lease-up of available space, the timing of development cost outlays and development deliveries, and the earnings impact of the events referenced in this release and those referenced during the related conference call. The estimates do not include (1) possible future gains or losses or the impact on operating results from other possible future property acquisitions or dispositions, (2) the impacts of any other capital markets activity, (3) future write-offs or reinstatements of accounts receivable and accrued rent balances, or (4) future impairment charges. EPS estimates may be subject to fluctuations as a result of several factors, including changes in the recognition of depreciation and amortization expense, impairment losses on depreciable real estate, and any gains or losses associated with disposition activity. BXP is not able to assess at this time the potential impact of these factors on projected EPS. By definition, FFO does not include real estate-related depreciation and amortization, impairment losses on depreciable real estate, or gains or losses associated with disposition activities. There can be no assurance that BXP's actual results will not differ materially from the estimates set forth below.

	Full Year 2022		Full Year 2023	
	Low	High	Low	High
Projected EPS (diluted)	\$ 5.55	\$ 5.57	\$ 2.27	\$ 2.42

Add:

Projected Company share of real estate depreciation and amortization	4.39	4.39	4.88	4.88
Projected Company share of (gains)/losses on sales of real estate	(2.43)	(2.43)	—	—
Projected FFO per share (diluted)	\$ 7.51	\$ 7.53	\$ 7.15	\$ 7.30

BXP will host a conference call on Wednesday, October 26, 2022 at 10:00 AM Eastern Time, open to the general public, to discuss the third quarter 2022 results, provide a business update, and discuss other business matters that may be of interest to investors. Participants who would like to join the call and ask a question may register at <https://register.vevent.com/register/BI7d60ea9f23734bec9f7775716b8b4671> to receive the dial-in numbers and unique PIN to access the call. There will also be a live audio, listen-only webcast of the call, which may be accessed in the Investors section of BXP's website at <https://investors.bxp.com/events-webcasts>. Shortly after the call, a replay of the call will be available on BXP's website at <https://investors.bxp.com/events-webcasts> for up to twelve months following the call.

Additionally, a copy of BXP's third quarter 2022 "Supplemental Operating and Financial Data" and this press release are available in the Investors section of BXP's website at investors.bxp.com.

BXP (NYSE: BXP) is the largest publicly traded developer, owner, and manager of premier workplaces in the United States, concentrated in six markets - Boston, Los Angeles, New York, San Francisco, Seattle, and Washington, DC. BXP is a fully integrated real estate company, organized as a real estate investment trust (REIT), with more than 50 years of experience developing, owning, managing, and acquiring exceptional properties in dynamic gateway markets. Including properties owned by unconsolidated joint ventures, BXP's portfolio totals 53.5 million square feet and 193 properties, including 14 properties under construction/redevelopment. For more information about BXP, please visit our website at www.bxp.com or follow us on [LinkedIn](#) or [Instagram](#).

This press release contains "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. You can identify these statements by our use of the words "anticipates," "believes," "budgeted," "could," "estimates," "expects," "guidance," "intends," "may," "might," "plans," "projects," "should," "will," and similar expressions that do not relate to historical matters. These statements are based on our current plans, expectations, projections and assumptions about future events. You should exercise caution in interpreting and relying on forward-looking statements because they involve known and unknown risks, uncertainties and other factors, which are, in some cases, beyond BXP's control. If our underlying assumptions prove inaccurate, or known or unknown risks or uncertainties materialize, actual results could differ materially from those expressed or implied by the forward-looking statements. These factors include, without limitation, the risks and uncertainties related to the impact of the COVID-19 global pandemic, including the emergence of additional variants, the effectiveness, availability and distribution of vaccines, including their efficacy against new variant strains and the willingness of individuals to be vaccinated, the impact of geopolitical conflicts, including the ongoing war in Ukraine, and the severity and duration of the indirect economic impacts of the foregoing, such as recession, supply-chain disruptions, labor market disruptions, rising inflation, dislocation and volatility in capital markets, job losses, potential longer-term changes in consumer and client behavior, as well as possible future governmental responses, risks related to volatile or adverse global economic and geopolitical conditions, health crises and dislocations in the credit markets, risks associated with downturns in the national and local economies, increasing interest rates, and volatility in the securities markets, BXP's ability to enter into new leases or renew leases on favorable terms, dependence on clients' financial condition, the uncertainties of real estate development, acquisition and disposition activity, the ability to effectively integrate acquisitions, the uncertainties of investing in new markets, the costs and availability of financing, the effectiveness of our interest rate hedging contracts, the ability of our joint venture partners to satisfy their obligations, the effects of local, national and international economic and market conditions, the effects of acquisitions, dispositions and possible impairment charges on our operating results, the impact of newly adopted accounting principles on BXP's accounting policies and on period-to-period comparisons of financial results, the uncertainties of costs to comply with regulatory changes (including potential costs to comply with the Securities and Exchange Commission's proposed rules to standardize climate-related disclosures) and other risks and uncertainties detailed from time to time in BXP's filings with the SEC. These forward-looking statements speak only as of the date of issuance of this report and are not guarantees of future results, performance, or achievements. BXP does not undertake a duty to update or revise any forward-looking statement whether as a result of new information, future events or otherwise, except as may be required by law.

Pursuant to the revised definition of Funds from Operations adopted by the Board of Governors of the National Association of Real Estate Investment Trusts ("Nareit"), we calculate Funds from Operations, or "FFO," by adjusting net income (loss) attributable to Boston Properties, Inc. common shareholders (computed in accordance with GAAP) for gains (or losses) from sales of properties, impairment losses on depreciable real estate consolidated on our balance sheet, impairment losses on our investments in unconsolidated joint ventures driven by a measurable decrease in the fair value of depreciable real estate held by the unconsolidated joint ventures and real estate-related depreciation and amortization. FFO is a non-GAAP financial measure, but we believe the presentation of FFO, combined with the presentation of required GAAP financial measures, has improved the understanding of operating results of REITs among the investing public and has helped make comparisons of REIT operating results more meaningful. Management generally considers FFO and FFO per share to be useful measures for understanding and comparing our operating results because, by excluding gains and losses related to sales of previously depreciated operating real estate assets, impairment losses and real estate asset depreciation and amortization (which can differ across owners of similar assets in similar condition based on historical cost accounting and useful life estimates), FFO and FFO per share can help investors compare the operating performance of a company's real estate across reporting periods and to the operating performance of other companies.

Our calculation of FFO may not be comparable to FFO reported by other REITs or real estate companies that do not define the term in accordance with the current Nareit definition or that interpret the current Nareit definition differently.

In order to facilitate a clear understanding of the Company's operating results, FFO should be examined in conjunction with net income attributable to Boston Properties, Inc. common shareholders as presented in the Company's consolidated financial statements. FFO should not be considered as a substitute for net income attributable to Boston Properties, Inc. common shareholders (determined in accordance with GAAP) or any other GAAP financial measures and should only be considered together with and as a supplement to the Company's financial information prepared in accordance with GAAP.
