

BXP Earns 2023 ENERGY STAR® Sustained Excellence Award

March 29, 2023

Awarded Highest Honor Given by the ENERGY STAR Program for the 3rd Year

BOSTON--(BUSINESS WIRE)--Mar. 29, 2023-- [BXP](#) (NYSE: BXP), the largest publicly traded developer, owner, and manager of premier workplaces in the United States, today announced that it has received the 2023 ENERGY STAR Partner of the Year—Sustained Excellence Award from the U.S. Environmental Protection Agency and the U.S. Department of Energy for the third consecutive year.

The Sustained Excellence Award is the highest honor bestowed by the ENERGY STAR program. According to ENERGY STAR, “the program honors a select group of businesses and organizations that have made outstanding contributions in the transition to a clean energy economy. ENERGY STAR award winners lead their industries in the production, sale, and adoption of energy-efficient products, homes, buildings, services, and strategies. These efforts are essential to fighting the climate crisis, protecting public health, and creating a clean energy future for everyone.”

“As we accelerate historic efforts to address climate change, public-private partnerships will be essential to realizing the scale of our ambition,” said EPA Administrator Michael S. Regan. “I applaud this year’s ENERGY STAR award winners for working with EPA to deliver a clean energy future that saves American consumers and businesses money and creates jobs.”

“We’re proud of our continued recognition from and partnership with the EPA and ENERGY STAR,” said Doug Linde, President, BXP. “Optimizing energy performance across our portfolio is a key component of BXP’s sustainability strategy and the Sustained Excellence Award highlights BXP’s ongoing commitment to reducing our environmental impact.”
